Meet the Scientist Session
Kickoff – 2019
To be filled out by team members based on the advice from the scientist and given to your teacher sponsor.

Team Number

Team Members

Project Title

Computational or Agent-based Aspect:

Suggested Language or Software Tool:

What is the data to be collected?

How will the data be visualized?

Modifications from Scientist:

_____The proposal for the above-named project has been accepted as a computational science project for the 2019 – 2020 Challenge year.

Scientist's Signature _____

Date_____
